Allan,

Just a brief note to let you know that Wm. Blanchard Co. has been impressed with Papp Iron Works, Inc.'s efforts on each of our Project's together at this prestigious Middlesex County Hospital.

Papp Iron's field and office personnel are efficient, cooperative and professional. As you, Frank, Dennis and Mark are well aware, schedules here are often aggressive and construction parameters difficult. In each case Papp Iron Work's has met the challenge.

Sincerely,

Chris Barry
