Message:

I want to express my appreciation to Papp iron Works on site foreman Mr. Pellone for his dedication, resourcefulness, and commitment to safety on our project. With job site conditions and obstacles in his way Mr. Pellone was able to perform his scope of work while also maintaining all O.S.H.A. standards on this project. Mr. Pellone is a true professional and a safety asset to your firm. I am looking forward to working with Mr Pellone again on the next TCCo project.

Michael Sommers
Site Safety Manager.
